

Health Care

Bolivar County residents can feel secure knowing they have access to state-of-the-art health care services right at home, Bolivar Medical Center in Cleveland provides the latest in medical technology with the highest standards of care. Their comprehensive range of services includes: advanced diagnostic procedures, including MRI; a 24-hour physician-staffed emergency department; special labor and delivery suites and a Level II newborn nursery; an outpatient rehabilitation facility

second to none in the region; and a surgery department equipped for advanced laparoscopic and laser surgeries. Bolivar Medical Center also has an aggressive physician recruitment program to bring new medical specialties to the area.

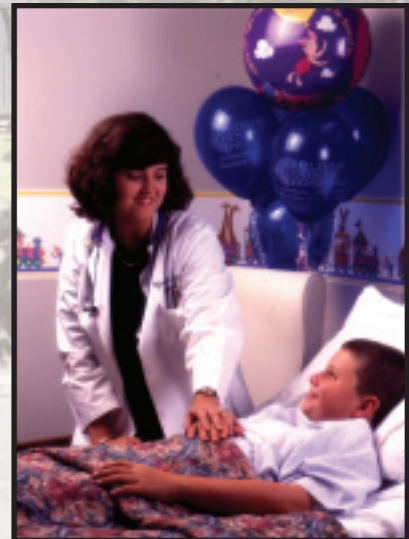

The Delta Health Center in Mound Bayou is the nation's oldest rural community health center. It provides primary care for patients in a three-county area, including Bolivar, and has an excellent team of physicians, nurse practitioners, and other health care providers, with specialists in Family Practice, Pediatrics, Internal Medicine, Obstetrics and Gynecology.
