

“Cleveland is a very unique place. I think there is a sense of historic value here, and the relationship between Bolivar County and Cleveland go hand-in-hand. We both want what is best for the community—making ourselves attractive to young professionals, attracting businesses and making this an area that people want to move to. I think we do a great job. When you compare our area to that of others, it really is a step above the rest.”

CLEVELAND: CONTINUING TO GROW.

CLEVELAND ISN'T JUST A TOWN. It's a place wrapped in hospitality, filled with friendly smiles and kind gestures. It's a place where active involvement and volunteerism help foster community pride. Where residents don't have to travel for a delicious bite and shopping locally helps support the lifeblood of the area. It's the river, the sunsets, the history and the arts.

IT'S OUR HOME, AND WE ARE PROUD TO SAY THAT CLEVELAND IS A DIFFERENT KIND OF DELTA.
